

Kindergarten School Supply List

Lista de Utiles

2025-26

Welcome to this new school year!

These are the school supplies the students will need throughout the school year. School supplies will be kept in the classroom. **Students should have an extra set of supplies readily available at home.** I will also let you know if there are any other school supplies that will be needed as the school year progresses.

School supplies/cleaning supplies will need to be replenished throughout the school year. I will let you know when this happens. I look forward to seeing everyone on the first day of school!

Thank you in advance for your support!

Ms. Olga
